“As a librarian, I highly recommend the high-quality programming of Two Right Feet. Children love the story time elements: the stories, the songs, the sign language, and the literacy games... And the electric bass adds an element of “cool” that we can’t match in our regular library story times! We include Two Right Feet as a regular part of our lineup, and will continue to do so.”

### **Sarah Kline Morgan**

Director, Branch & Children’s Services  
Farmington Libraries

***Two Right Feet Arts provides literacy, school readiness, and interactive educational reading enrichment programs for children PK-3rd grade.***

Our program sessions are fun, theme-based, and introduce students to various concepts to help them learn and grow. We use the Common Core State Standards in English and Language Arts as a curriculum guide.

***Our goal is to foster a love of reading, language, and learning in children and to unleash a spark of creativity, through books and words.***

### **Key program features include:**

- Live music
- Introduction to American Sign Language
- Storytelling
- Books read to music
- School readiness
- Literacy games
- Creative dance
- Musical instrument experimentation
